

## **Important Deadlines and Dates for 2010 Diocesan Convention**

As we approach the summer months it is easy to let time and dates slip away . . . especially since we have changed the date of Diocesan Convention to September this year.

Below are dates and other information regarding the 2010 Diocesan Convention which begins September 10, 2010 at the Sutton/Flatwoods Days Hotel & Conference Center in Flatwoods, WV.

### **June 12, 2010:** (90 days prior to Convention)

- All proposed changes for the Diocesan Constitution and Canons are to be received.
- Deaneries are to have elected new representatives to Diocesan Council.

### **June 27, 2010** (75 days prior to Convention)

- The names of newly-elected members for Diocesan Council are to be received in the Bishop's office from the Deaneries.

### **July 12, 2010:** (60 days prior to Convention)

- We ask that the names of Convention Delegates from each church are submitted to the Bishop's office.

### **July 27, 2010:** (45 days prior to Convention)

- This is the last day for proposed Resolutions to be presented and received in the Bishop's office. Those postmarked on, but received after this date, will not be printed in the Preconvention Journal, and therefore will not be eligible for presentation to Convention – unless accepted by Convention.
- We ask that nominations for elected offices be submitted by this date so that they can be included in the Preconvention Journal.
- We ask that names to be included in the Necrology (those persons who have died since our last Convention) be submitted by this date.

**August 31, 2010:** Reservations need to be made at the Sutton/Flatwoods Days Hotel & Conference Center.

**September 10-12, 2010:** Diocesan Convention in Flatwoods.
